POSTGRADUATE PROGRAMME
Faculty of Electrical Engineering
UiTM Malaysia

Introduction
The Faculty of Electrical Engineering takes pride in the quality and excellence of its teaching and research which it is privileged to undertake in the environs of the attractive and historic City of Shah Alam. The Faculty has been offering the following postgraduate programmes:

By Research
EE990 Ph.D. in Electrical Engineering
EE780 M.Sc. in Electrical Engineering

By Coursework
EE770 M.Sc. in Telecommunications and Information Engineering

Areas of Specialisation
For EE990 and EE780, the candidates may choose to conduct their research in the following areas of specialisation:

Electronic Engineering

Power Engineering

Systems Engineering

Communications Engineering

Computer Engineering

EE990 Ph.D. in Electrical Engineering

Plan of Study and Duration
Full-time: 5 semesters (3 years)
Part-time: 6-12 semesters (5-6 years)

Entry Requirement
A Master degree (in relevant field) from UiTM or any institutions of higher learning recognised by the UiTM Senate or; Other qualifications equivalent to a Master’s degree (in a relevant field) recognised by the UiTM Senate and with relevant experience in a related field.

EE780 M.Sc. in Electrical Engineering

Plan of Study and Duration
Full-time: 3 semesters (1 ½ years)
Part-time: 4-8 semesters (2-4 years)

Entry Requirement
An honours first degree (in relevant field) from UiTM or any institutions of higher learning recognised by the UiTM Senate with at least CGPA 2.75 or; Other qualifications equivalent to the first degree (in a relevant field) from UiTM or any institutions of higher learning recognised by UiTM Senate and with relevant working experience of at least 1 year in a related field.

EE770 M.Sc. in Telecommunications and Information Engineering

Plan of Study and Duration
Full-time: 3 semesters (1 ½ years)
Part-time: 5 semesters (2 ½ years)

Entry Requirement
B. Eng. in related field of Communication Engineering from UiTM with CGPA 2.75 and above or; B. Eng. (Hons) in the field of Communication Engineering from other institutions of higher learning recognised by the UiTM Senate with CGPA 2.75 and above or; B. Eng. (Hons) in the field of Communication Engineering from institution of higher learning recognised by the UiTM Senate and work experience.

Financial Assistance
The university provides financial assistance to a number of postgraduate candidates under several schemes such as SKS, NSF, PGD, Zakat and many more. The financial schemes provided are up to RM1560 and RM2300 monthly for MSc and PhD candidates respectively.

How To Apply
Application forms are available online at the following URL: http://www.ipss.uitm.edu.my/

All hardcopy of applications should be addressed to:
The Dean, Institute of Graduate Studies, Universiti Teknologi MARA Malaysia, INTEKMA Resort & Convention Centre, 40000 Shah Alam, MALAYSIA.

EE990 and EE780 intake: All year round.
EE770 intake: Every June and November of each year.

Enquiry
Further information can be obtained from the following:
The Dean, Faculty of Electrical Engineering, Universiti Teknologi MARA Malaysia, 40450 Shah Alam, MALAYSIA.
